Malta Chocolate Factory offers a range of Chocolate Experiences to individuals, families and groups. A great holiday experience, a reunion, or a team building opportunity.

Wine & Chocolate Pairing

A one hour class where we discuss local Maltese wine production and history whilst tasting a variety of wines paired perfectly with Malta Chocolate Factory chocolates. There are two classes to choose from - our Maltese pairing which features indigenous grape varieties or our Artisan pairing highlighting specialist small Maltese wine producers - each wine paired perfectly with matching chocolates.

Cocktail & Chocolate Masterclass

Make your own cocktails under the watchful eyes of our cocktail specialist. Learn about the rules of a great cocktail and sample a series of drinks pairing with our own Malta Chocolate Factory chocolates in a one hour session. Two sessions to choose from - Winter for those cocktails to warm you up, and Summer, for some taste sensations that will cool you down.

Family of Monsters Chocolate Making

One for the entire family from kids to grandparents. An hour of laughter and fun making chocolate and fondant monsters that will be as unique as you are. Learn about chocolate and its history whilst indulging your inner child. Perfect as a family get together.

Junior Chocolate Making Class

Our ever popular class where the kids (ages 5-12) get to make their own chocolate creations to take home, learn about how chocolate is made and the history of chocolate from Aztec times to modern day. An hour of fun and education. Parents can relax in our cafe while the kids create chocolate masterpieces.

Adult Chocolate Making Class

For adults we offer a chocolate making class which shows you the secrets of how we make some of our most popular products at Malta Chocolate Factory. Create coloured moulded pieces and truffles filled with ganache in an hour session that also teaches you something about the history and production of chocolate. Get to take your creations home and show off to your friends.

Vegan Adult Chocolate Making Class

This chocolate making class involves making 4 mini chocolate bars with dark chocolate and inclusions like orange, nuts, fruits, etc. Learn about chocolate history and production processes and make your own vegan take home chocolates.

Kids Birthday Parties are great at Malta Chocolate Factory

Unique & fun, our 2 hour birthday parties are perfect for ages 5 to 12

Our chocolate themed celebration has kids getting hands on with chocolate making and decorating, as well as learning a little bit about chocolate along the way.

Our specially designed Experience Centre above the Chocolate Factory is set up for all the fun of the party. Included in all our parties are:

- Awesome chocolate making activities
- Educational and fun sessions on chocolate making and the history of chocolate
- All food and drink is included (we can cater for most food allergies too - just ask us)
- Party bags
- Music and movement

We can also include fun extras like animators, magicians and face painters

You can bring your own birthday cake, or we can supply that too (chocolate, of course!) We've got it all covered!
